

# MANAGING PROJECTS... MANAGING PEOPLE... MANAGING DEADLINES...

EVERYONE IN THE WORLD OF BUSINESS DEALS WITH PROJECT MANAGEMENT ISSUES ON A DAILY BASIS.  
WHY NOT GET THE BEST STRATEGIES POSSIBLE FROM ONE OF THE WORLD'S MOST FAMOUS LEADERS?

Project management expert and author Jerry Manas teaches the art of project management as seen through the successes and failures of one of history's greatest generals, Napoleon Bonaparte. Gain the ultimate business advantage through this colorful approach to one of the most necessary skills needed for success in today's workplace.

- Learn to apply Napoleon's research, recordkeeping, and organization methods to your own projects for better results
- Gain an upper hand by understanding the dynamic between project management and strategic leadership
- Learn to apply the wisdom of this military leader in your own personal and professional spheres of influence

To schedule a speaking engagement with Jerry Manas call 1-877-378-5110 or e-mail [jmanas@marengogroup.com](mailto:jmanas@marengogroup.com).
